## FISCAL ANALYSIS

### ASSUMPTION

Officials at the **Missouri Ethics Commission** assume this proposal prohibits a member of the general assembly from acting, serving, or registering as a lobbyist, be employed in any department or office within the executive branch of government or be appointed to any board commission or committee formed under the laws of this state where such person receives remuneration above reimbursement of actual expenses would require the following additional resources:

One Business Analyst to provide the necessary oversight including reviewing the registrations, creating the correspondence, answering necessary correspondence and communication, and tracking the results. The Commission's current resource that assists all lobbyists with the monthly filing and bi-annual filings, answers all lobbyists questions, sends out all lobbyists late and non filer notices, handles the lobbyist annual registrations also provides the support for the Campaign Finance filers. This resource would be unable to provide any additional support for the increased work anticipated. The Commission would anticipate that changes or additions to the proposed language set forth in this bill may require additional associated costs for FTE, equipment, and expenses.

**Oversight** assumes that the proposed changes in section 105.456 prohibits certain elected officials from registering as a lobbyist. It is unclear if the change would increase or decrease the number of individuals filing lobbyist reports. **Oversight** assumes the MEC should be able to absorb the cost of this proposal.

**Oversight** assumes that the proposed changes in section 105.456 prohibits certain elected officials from being employed by the state or serving on any of the state boards, commissions, or committees. **Oversight** assumes the MEC should be able to absorb the cost of this proposal.
